

# Devoteam G Cloud Achieves the Cloud Migration Partner Specialisation for Google Cloud

**Paris, December, 2021 - Google Cloud Recognises Devoteam G Cloud's Technical Proficiency and Proven Success In Cloud Migration with the Cloud Migration Specialisation.**

Devoteam G Cloud today announced that it has achieved the Cloud Migration Partner Specialisation in the Google Cloud Partner Advantage Program. By earning the Partner Specialisation, Managed Services Google Cloud partner, Devoteam G Cloud, has proven their expertise and success in building customer solutions in the Cloud Migration field using Google Cloud technology.

Specialisations in the Partner Advantage Program are designed to provide Google Cloud customers with qualified partners that have demonstrated technical proficiency and proven success in specialised solution and service areas.

Google Cloud partners achieving the Cloud Migration Specialisation have demonstrated success in building foundational architectures and then migrating significant numbers of customer workloads from either on-premises or other cloud providers to Google Cloud.

For Devoteam G Cloud, it's the 8th Google Cloud specialisation in the trophy case - next to the Infrastructure, Machine Learning, Work Transformation – Enterprise, Application Development, Training Infrastructure and Training Data & Location-Based Services Specialisations.

Besides achieving these 8 specialisations and the Managed Services partner status, Devoteam was awarded with the Google Cloud Reseller Partner of the Year 2020 for EMEA award for the 2nd time in a row this year.

"We are thrilled to see Devoteam continue to invest in Google Cloud skills and technologies to bring thoughtful solutions to customers while differentiating its business. Devoteam's multiple specializations demonstrate its proven customer success and high levels of experience and aptitude with Google Cloud services," said Nina Harding, Chief of Global Partner Programs and Strategy, Google Cloud.

"We're very proud of this specialisation, as it demonstrates our advanced and in-depth capabilities in the cloud migration area. This achievement is there thanks to our customers who trust us as their valued partner in their journey to and in the cloud. But also thanks to our dedicated and highly skilled team of certified Google

Cloud experts. We consider the Cloud Migration Specialisation as a real differentiator for us as a Google Cloud partner active across EMEA. It celebrates the joint successes with the customers that we partner up with, and the ambitions that we have to migrate organisations across EMEA to Google Cloud. We're excited to keep investing and building up expertise in this area."
